ARTICLE I. EXECUTIVE SUMMARY, DEFINITIONS, AND AUTHORITY

1.1 EXECUTIVE SUMMARY

This procurement is intended to solicit applications to be considered for funding through the **Recovery-Focused Clubhouse Program** (“Program”). The purpose of the program is to fund the Clubhouse International model, which has been proven to enhance recovery-based outreach, services, and programming to support people living with mental health challenges. HHSC will award grants to local Texas organizations, to be matched at 25%, to implement the Clubhouse model with fidelity.

The Clubhouse model is a Substance Abuse Mental Health Services Administration (SAMHSA) evidence-based practice that provides a recovery-focused environment for people whose lives have been disrupted because of their mental health challenges (members). Members benefit from having the support of others who are in recovery and who believe that mental illness is treatable. While participating in a Clubhouse, members gain access to opportunities to rejoin the worlds of friendships, family, employment and education, and to the services and support they may individually need to continue their recovery.

To be considered for award, Respondents must execute **Exhibit A, Affirmations and Solicitation Acceptance**, of this Solicitation and provide all other required information and documentation outlined in this Request for Application (RFA).

1.2 DEFINITIONS

Refer to **Exhibit B, HHSC Grantee Uniform Terms and Conditions (UTCs)** for additional definitions. Additionally, as used in this Solicitation, unless the context clearly indicates otherwise, the following terms and conditions have the meanings assigned below:

Refer to Exhibit B, HHSC Grantee Uniform Terms and Conditions for additional definitions. Additionally, as used in this Solicitation, unless the context clearly indicates otherwise, the following terms and conditions have the meanings assigned below:

“**Addendum**” - a written clarification or revision to this Solicitation issued by the System Agency.

“**Apparent Awardee**” - an organization that has been selected to receive a grant award through response to this RFA but has not yet executed a grant agreement or contract.

“**Applicant(s)**” or “**Respondent(s)**” - the entity(s) responding to this Solicitation.

“**Clubhouse member**” - an individual who has utilized the clubhouse services and signed up to be a member at any point in time.

“**Active member**” - a member of the Clubhouse who has received a service in the last 90 days.

“**Clubhouse Non-Member**” - an individual who utilizes services but has not yet become a member.

“**Clubhouse International**” - the umbrella organization and originator of the Clubhouse Model. Clubhouse International offers accreditation to Clubhouses. **Clubhouse International**.

[“Clubhouse Model”](#) - an evidence-based, recovery-oriented program for adults diagnosed with a mental illness. The goal of the program is to improve an individual’s ability to function successfully in the community through involvement in a peer-focused environment. Members are encouraged to participate in the daily operations of the Clubhouse such as clerical duties, reception, food service, transportation, and financial services. Members are also encouraged to participate in activities to promote outside employment, education, meaningful relationships, housing, and an overall improved quality of life.

[“Clubhouse Service\(s\)”](#) - the support offered by members and received by people who are also members of an individual Clubhouse.

[“Cost Reimbursement”](#) - a method of funding wherein a Grantee organization must initially pay for project activities with its own funds. HHSC then issues reimbursement payments to the Grantee on a scheduled basis for reported actual, allowable, and allocable costs supported by adequate documentation.

[“Direct Cost”](#) - costs that can be identified specifically with particular cost objectives such as a grant, contract, project, function or activity. Direct costs generally include: salaries/wages, fringe benefits, contracted services required to accomplish a specific grant.

[“Grant”](#) - a financial award provided to a Successful Applicant as a result of its response to a Solicitation. May also be referred to as “Award” or “Grant Award.”

[“Grantee”](#) - an organization that has been selected to receive a grant award through response to this RFA and has executed a grant agreement or contract.

[“Indirect Costs”](#) – costs that have been incurred for common or joint objectives not and cannot be readily identified with a particular cost objective. Further definitions and requirements can be found in [2 Code of Federal Regulations, Part 200](#).

[“Independent Employment \(IE\)”](#) - support obtaining a job for which the clubhouse provides support as requested by the member. There are no on-job-site services or responsibility to an employer. IE is distinguished from SE by the lack of a relationship between the employer and the clubhouse and the absence of on-site supports. For IE, members participate in a fully competitive interview.

[“Match”](#) or [“Cost Sharing”](#) - definitions and requirements can be found in Section .24, Subpart C, of [Uniform Grant Management Standards \(UGMS\)](#) and [Title 2, Part 200, §200.306 of the Code of Federal Regulations](#).

[“Project Budget”](#) - the financial plan for carrying out a proposed project. The applicant provides a proposed budget, which includes both state-awarded funds and match, as part of a response to this solicitation. May also be referred to as “budget.”

[“Recovery-Focused”](#) - the assumption and guiding philosophy that people can and do recover from mental illness.

[“Solicitation”](#) or [“RFA”](#) - this Request for Applications including any Forms, Exhibits and Addenda as applicable.

“State” - the State of Texas and its instrumentalities, including HHSC, the System Agency and any other state agency, its officers, employees, or authorized agents.

“Successful Applicant” - an organization that receives a grant award under this RFA. May also be referred to as “Grantee,” “Awarded Applicant,” or “Grant Recipient.”

“Supported Employment (SE)” - support that provides an employment opportunity that is not time-limited. The position belongs to the member. There is a competitive element to the interview process. In SE the clubhouse develops and maintains a relationship with the employer and assists with job site development and sometimes training, SE jobs may be full- or part-time. The clubhouse does not provide absence coverage. SE Group Placement (i.e., Mobile Crew) consists of a small group (8 or fewer individuals) which works together at a job site or moves from site to site to perform work. The crew may have equipment needed and job training and supervision is usually the responsibility of the service provider agency.

“System Agency” - the Texas Health and Human Services Commission, its officers, employees or authorized agents.

“Transitional Employment (TE)” - support that involves multiple part-time work placements with community-based employers, paid by the employer. Support services are provided by a clubhouse program prior to and concurrent with the TE experiences. Continued employment support would be available through the clubhouse for subsequent job placement. A TE job is a time-limited opportunity, usually six to nine months in duration. TE positions belong to the clubhouse. In TE the clubhouse develops and maintains a relationship with the employer and provides on-site training and support. Absence coverage is a key feature of the model. In TE Group Placements, a variation of TE, the clubhouse has a relationship with the employer, and the work and/or jobs are facilitated through the clubhouse. Members get support from the clubhouse both on and off-site.

1.3 AUTHORITY

The System Agency is requesting applications pursuant to 2020-2021 General Appropriations Act, Senate Bill (S.B.) 1, 86th Legislative Regular Session 2019, Article (Article II, HHSC, Rider 65) which increased funding to support Clubhouses and the Substance Abuse and the Mental Health Services Administration Mental Health Block Grant authorized under Title 42 United States Code, Chapter 6A, Subchapter XVII, Part B: Block Grants Regarding Mental Health and Substance Abuse.

ARTICLE II. SCOPE OF GRANT AWARD

2.1 PROGRAM BACKGROUND

Behavioral health services in Texas – including both mental health and substance use disorders (SUD) – have evolved and transformed over the past decade. Much of this transformation is due to the large investment and stewardship of the Texas Governor and Legislature to improve the behavioral health service delivery system.

Part of this investment included allocating funding to implement the Clubhouse model during the 84th Legislature, Regular Session, 2015. Initially, four Clubhouses were funded by HHSC to serve San Antonio, Austin, Houston, and San Angelo. This Solicitation builds on the groundwork laid by the initial funding as it seeks to expand Clubhouse services in Texas. Those initially funded may apply to expand or maintain existing services. Other organizations that have been implementing the model are also eligible to apply.

The Clubhouse model is well aligned with the five-year Texas Statewide Behavioral Health Services Strategic Plan, Fiscal Years 2017-2021 (strategic plan), which identified a vision for Texas: **to ensure that all Texans have access to care at the right time and place**. The strategic plan was developed by the Statewide Behavioral Health Coordinating Council pursuant to the 2016-2017 General Appropriations Act, House Bill 1, 84th Regular Session 2015 (Article IX, Section 10.04)

The System Agency certifies that it has statutory authority to contract for services described in this Solicitation pursuant to [Health and Safety Code Section § 12.051](#) as transferred under [Texas Government Code 531, Sec.531.02014](#).

2.2 GRANT AWARD AND TERM

2.2.1 Grant Term

The initial grant funding period for each Grantee will **begin upon execution of the grant contract and will continue through August 31, 2021**. This period is subject to change and will be determined by HHSC through the negotiation and award process. The System Agency, at its sole discretion, and contingent on the continued availability of funding, may renew or extend any grant awarded without re-procurement through August 31, 2025.

If a Grantee is unable to make use of all state-funded awards and complete grant activities on or before August 31, 2025, HHSC may, at its sole discretion, extend contracts beyond the grant term to allow for the full expenditure of awarded funding and completion of grant activities. No additional grant funds will be awarded to the Grantee during the grant extension period.

2.2.2 Available Funding

HHSC anticipates issuing six (6) to ten (10) grant awards totaling approximately **\$1.37 million** for the initial grant term. (i.e., September 1, 2020 through August 31, 2021). Funds allocated for subsequent grant terms could be more or less than the original award, depending on availability of

funds. If a clubhouse currently funded by HHSC is not selected for funds through this RFA, the clubhouse may, if funds allow, be awarded ramp-down funding at an amount determined by HHSC for a period not to exceed six months.

Funds are awarded for the purpose specifically defined in this RFA and must not be used for any other purpose. Funds may be used for personnel, fringe benefits, staff travel, contractual services, equipment, supplies, and other direct/indirect costs as allowed in the approved budget.

2.2.3 Matching Funds

Matching, or cost-sharing, reflects a community's commitment to supporting people living with mental illness. To be considered eligible for this funding, applicants must provide a 20 percent match requirement of the total project cost from a non-state and non-federal source. Matching funds are part of the overall total project budget and are considered grant funds. As a result, all rules and policies that apply to the HHSC award amount also apply to the matching funds. Match contributions may only be used for eligible, approved budget items that are necessary and reasonable to accomplish program objectives.

2.3 ELIGIBLE RESPONDENTS

- A. This RFA is intended to support organizations seeking to expand or maintain a developed clubhouse. A developed clubhouse is defined as having:

HHSC expressly reserves the right to review and analyze the documentation submitted and to request additional documentation to determine Respondent's eligibility for contract award.
 - a. Respondent must not be ineligible to apply for funds under this RFA due to being currently debarred, suspended, or otherwise excluded or ineligible for participation in Federal or State assistance programs. As part of the pre-compliance check for responsiveness to this RFA, HHSC will perform a check for debarment/suspension through the Federal System for Award Management (SAM) and the Comptroller of Public Accounts (CPA). In compliance with CPA's rules, HHSC's verification of eligibility will also conduct a name search of all Grantees during the contract award phase using the websites listed in this section. A Respondent will be considered ineligible to contract with HHSC, regardless of the funding source, if a name match is found on any of the following lists:
 - b. [CPA's list of Vendors Debarred from doing business with the State of Texas](#);

5. Respondent must have demonstrated financial history to fund activities/cover project costs prior to receiving reimbursement. 2.4 PROGRAM DESIGN

The Clubhouse International Model is a federal Substance Abuse and Mental Health Service Administration (SAMHSA) evidence-based day program for the support of adults with mental illness (members).

Clubhouses are local community centers that provide members with opportunities to build long-term relationships that, in turn, support them in obtaining employment, education and housing, including:

- Social connections with others in recovery;
- Employment opportunities within and outside the clubhouse;
- Assistance accessing community-based health, mental health, and education resources;
- Access to crisis intervention services when needed;
- Assistance in securing and sustaining safe, habitable, and affordable housing; and,
- Health and wellness education and support

Clubhouse members are additionally empowered to participate in consensus-based decision-making regarding all important matters relating to the running of the Clubhouse. Clubhouse members do not pay dues or membership fees. Their attendance is voluntary, and they can participate as little or as much as they choose.

Clubhouses are accredited and coordinated internationally through the Clubhouse International. Clubhouse staff maintain a caseload, including managing employment placements, housing issues, and access to community supports. They also are responsible for the ongoing work of the Clubhouse and help organize and participate in social activities. Staff have diverse life experiences and backgrounds in a variety of disciplines, including psychology, counseling, social work, and education.

Programs supported by grant funds must:

- A. Provide services to individuals who have mental health challenges with fidelity to the Clubhouse International model and standards (Attachment A).
- B. Identify specific entities in the community who can fill Clubhouse service gaps and build partnerships to assist individuals to gain access to needed recovery services.
- C. Currently utilize or have a stated plan to utilize individuals with lived experience with mental health challenges in key leadership roles for the organization.
- D. Adhere to the clubhouse value that every member has the potential to recover from the effects of mental health challenges and to lead a personally satisfying life as an integrated member of society.

- C. Cost Proposal (Forms C and D and submitted financial statements): 15%

4.3 FINAL SELECTION

After initial screening for eligibility, application completeness, and evaluation scores of the elements in **Section 4.2**, a selection committee will determine which proposals should be awarded in order to most effectively accomplish state priorities. The selection committee will recommend grant awards to be made to the HHSC Executive Commissioner or designee, who will make the final award approval.

HHSC will make all final funding decision based on eligibility, evaluation scores, geographic distribution across the state, state priorities, reasonableness, availability of funding, past performance, cost-effectiveness, or other relevant factors.

4.4 NEGOTIATION AND AWARD

4.4.1 Award

HHSC will notify each Successful Applicant of its selection to receive an award. The dollar amount awarded to each Apparent Awardee depends on the:

- A. Available funding,
- B. Response merit and scope, and
- C. Executive Commissioner or designee decision.

Each contract resulting from this RFA will be funded:

- A. On a **cost-reimbursement** basis, and
- B. Only to the extent the grantee commits, uses, and reports state funds and required matched funds within each expenditure and match reporting period.

Under the cost-reimbursement method, the Grantee must initially pay for Proposed Project activities using its own funds. HHSC then issues reimbursement payments to the Grantee monthly for reported actual cash disbursements supported by adequate documentation. Upon execution of a contract resulting from this RFA, HHSC may disburse an initial payment of a percentage of the state award to the Grantee in accordance with Texas Uniform Grant Management Standards.

Not all Applicants deemed eligible to receive funds are assured of receiving Awards. HHSC will post to the HHS Grants Website and may publicly announce Applicants whose Applications are selected for award. Neither activity constitutes HHSC agreement with all terms of any Response and does not bind HHSC to enter into a contract with any Applicant whose award is posted.

4.4.2 Negotiation

Before executing contracts, HHSC may enter into negotiations with each Successful Applicant to determine:

- A. The award period,
- B. The final award amount, and
- C. The grant contract terms.

Reimbursement is made only for allowable and reported expenses the Grantee incurs within the grant term.

The negotiation phase may involve direct contact between the successful Respondent and HHSC representatives via phone and/or email. During negotiations, successful Respondents may expect:

- A. An in-depth discussion of the Solicitation Response; and
- B. Requests from HHSC for clarification or additional detail regarding the Solicitation Response.

The final funding amount and the provisions of the contract will be determined at the sole discretion of HHSC. HHSC may announce Apparent Awardees once the Executive Commissioner or designee has given approval to initiate negotiation and execute contracts. HHSC will post to the HHS Grants Website and/or may publicly announce a list of Respondents whose Solicitation Responses are selected for final award. This posting does not constitute HHSC's agreement with all the terms of any Respondent's Solicitation Response and does not bind HHSC to enter into a contract with any Respondent whose award is posted.

4.5 QUESTIONS OR REQUESTS FOR CLARIFICATION BY HHSC

HHSC reserves the right to ask questions or request clarification from any Respondent at any time during the application process. Requests for clarification are designed to pose clarifying questions, and to resolve conflicting information, apparent ambiguities, or minor clerical errors within the Solicitation Response.

ARTICLE VIII. GENERAL TERMS AND CONDITIONS

8.1 GENERAL CONDITIONS

8.1.1 Costs Incurred

Respondents understand that issuance of this Solicitation in no way constitutes a commitment by any System Agency to award a contract or to pay any costs incurred by a Respondent in the preparation of a Solicitation Response. The System Agency is not liable for any costs incurred by a Respondent prior to issuance of or entering into a formal agreement, contract, or purchase order. Costs of developing Solicitation Response, preparing for or participating in oral presentations and site visits, or any other similar expenses incurred by a Respondent are entirely the responsibility of the Respondent, and will not be reimbursed in any manner by the State of Texas.

In addition, pursuant to Texas Government Code Section 2261.253(a), HHSC is required to post executed contracts and the associated solicitation documents on the agency website. Contract documents posted to the web may include the Solicitation Response of any Respondent receiving a Contract.

HHSC does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA. Respondents are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. If it is necessary for Respondent to include proprietary or confidential information (which may include, but is not limited to, trade secrets or privileged information), Respondent must clearly mark in bold red letters the term “CONFIDENTIAL” using at least 14-point font, on that specific part or page of the submittal which Respondent believes to be confidential. Should trade secrets or proprietary or otherwise confidential information be included in the submitted electronic copy, the content should be marked in the same manner as the original as stated above.

In addition, Respondent should mark the medium with the word “CONFIDENTIAL.” If HHSC receives a public information request seeking information marked by Respondent as confidential, Respondent will receive notice of the request as required by the Texas Public Information Act.

If HHSC receives a public information request for submittals and parts of submittals that are not marked confidential, the information will be disclosed to the public as required by the Texas Public Information Act. Note that pricing is not generally considered confidential under the Texas Public Information Act.
